Annot

Alpes de Haute Provence

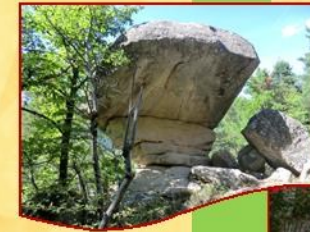

Sport et nature ...

"La Ribiere" is a campsite located at an altitude of 700 m on the edge of picturesque village called Annot, which is the starting point for walks, mountain biking and white-water sport. Its reasonable size with 64 places on almost 2.5 acres guarantees a calm and quiet site which fits perfectly with the "Alpes de Haute Provence". For those who like mountains, many walks start near the campsite as well as climbing areas. Whether you are a sports man, a nature lover or simply an adept of "farniente", Le pays d Annot will delight you.

Rental

... A haven of peace

The campsite is situated next to the river "Vaire" in natural woodland. Come and stay in a friendly family atmosphere and relax in this calm and peaceful country setting.

We offer several options: dedicated pitches for tents or caravans, bungalows, mobile-home for rent
